Period | Total receivable | Settled through set off (with subordinated interest) | Settled through delayed payment | Current balance | | | | |
| 25-Apr-16 | - | - | - 1 | (18,800.00) | (18,800.00) | - | - | (18,800.00) | | | | |

The negative euribor is resulting in a negative amount of interest on the A-note. As the transaction documentation is not explicitly stating anything related to this situation, it is currently decided to floor this interest part at zero and to present this in the distribution report.

Until final assessment is done on how to process negative interest amounts a ledger will be maintained.
